

Mipro MA101B Portable PA System

Ultra Portable, Lightweight and Easy to Use

For 20 years, MA-101 has been mass-produced, sold worldwide and it remains a market-leading system as MIPRO ensures product design, craftsmanship and reliability are second to none. Since 2012, upgraded rechargeable lithium battery replaces sealed lead-acid rechargeable battery for reducing weight significantly for portability as it also extends battery operating hours & increases battery lifespan.

Lightweight, robust and battery operated, this popular system is simple to use and can be easily carried via the built-in handle, shoulder strap, or mounted on a microphone stand. The MA101 is a perfect PA for a small crowds.

Ideal applications include:
