

Lecture Light Weight Microphone Skintone – C8914

A lightweight buff coloured omni-directional electret microphone designed for presenters, entertainers etc. Designed to sit around your ear comfortably even when used for long periods. Fits either left or right ear and the boom can be adjusted to suit individuals requirements. For optimal performance the microphone capsule should be located on the jaw line of the user below the mouth. A small clip is provided to secure cable to the user's collar for unhindered head movement. Fitted with 3 pin mini XLR and 1.2m lead.

Note: A wind sock is provided for outside use only & should not be necessary if microphone is located correctly.

Specifications:

Type: Back Electret Condenser

Impedance: 1500Ω balanced

Frequency response: 50Hz - 18kHz
