

## Okayo Compact 40W Portable PA Systems

A handheld or shoulder worn PA system fitted with a high power 40W internal amplifier to help you get your message across whilst on the go! Great for sporting events, wedding and civil celebrants, sales spruikers. Address crowds up to 150 people without the need to shout. The lightweight and easy to carry design includes provision to store the C 7315 handheld mic internally, which also charges the mic at the same time! The inbuilt battery provides several hours use away from mains power and can also be powered by the mains adaptor provided. All models include the same amplifier, power supply, battery and charging circuit. A handy LED bar graph displays the battery charge status. The amplifier includes a 6.35mm mic input, plus a 3.5mm auxiliary input with individual volume controls. Tone and master volumes are also provided. 153W x 246H x 333Lmm.

**C 7310 Base Model:** For use with wired mics. Provision for 2 extra modules.

**C 7312 UHF Model:** Includes a 96 channel UHF mic receiver for roaming applications. Provision for one extra module.

**C 7314 UHF & MP3 Model:** Includes UHF receiver plus an MP3 player with USB stick & SD card input (Pictured)

## Optional Accessories

### C7316 96 Ch UHF Beltpack Transmitter

Beltpack transmitter. 640-664MHz. Designed for use with the C7310-C 7314 range of 40 Watt portable PA systems.

Suitable for use with C7324 and C7326 microphones.

- Compact & lightweight.
- In-built microphone.
- Fitted with Mini 3.5mm socket.
- On / Off / Mute switch.
- Internal lithium-ion rechargeable battery is recharged via port on base unit.

### C7324 Mic Tie Clip Lavalier

Lapel microphone to suit C7316

Specifications:  
Sensitivity: -47dB  
Output impedance: 680Ω  
Current consumption: 500µA  
Directivity: Unidirectional  
Signal to noise ratio: 58dB  
Operating voltage: 1.0-10V  
Maximum input SPL: 110dB

### C7326 Microphone Headset

Headset microphone to suit C7316  
Beltback. 3.25mm jack plug connection.

### C7315 96 Ch UHF Handheld Mic Transmitter 640-664Mhz

Handheld transmitter. 640-664MHz. Designed for use with the C 7310-C 7314 range of 40 Watt portable PA systems. Unique design allows it to be stored and charged within a slot at the rear of the PA system.

Features:

- Exceptional performance
- Slimline design
- Can be stored inside the PA unit for convenient recharging
- Up to 14 hours use from standard alkaline AA batteries

### C7320 Okayo® Carry Bag

Durable zip up carry bag to protect your portable PA system from the elements. Has a side pouch for cables and accessories

### C7322 Okayo® Tripod

Sturdy, adjustable and stable tripod for mounting C 7310-C 7314 40 Watt PA systems.

Great for stage use or where elevation will give greater sound dispersion.

NOTE: PA SYSTEM NOT INCLUDED

### C7317 UHF Wireless Microphone Receiver 640-664MHz Module

Designed to fit the C 7310-C 7314 and C 7340-C 7344 40Watt range of portable PA systems.

640-664MHz version. Please check the frequency of your microphones/Okayo PA before making your purchase.

Suitable for use with C 7315 handheld and C 7316 beltpack transmitters.

### C7318 MP3/USB/SD Card Audio File Player Module

Optional module designed for use with the C 7310-C7312 and C 7340-C7342 40 Watt portable PA systems.

Can playback MP3 audio files from USB thumbdrive, or SD card.

Specifications:  
Frequency response: 20Hz - 20kHz  
Power supply voltage: 12V DC  
Display: LCD backlit  
Audio output level: 600mV  
Audio format supported: MPEG layer 3 (MP3)  
Signal to noise ratio: >60dB  
Total harmonic distortion: <1%  
Remote control range: >3m  
Controls: Play, Stop, Repeat, Next, Previous  
External audio supported: USB thumbdrive, SD card

### C7319 Bluetooth Module

Designed to fit the C 7310-C 7314 and C 7340-C 7344 40Watt range of portable PA systems.

Allows simple pairing of Bluetooth devices for audio file streaming. To install the module, simply remove the blanking panel, insert the module and screw the faceplate into position
