

## Grandview Fast Fold Screen

A fast and easy solution for getting the big picture to the place you want.

The Grandview Fast Fold Screen includes a road case for easy transportation.

These screens are suited to big group events. They are ideal for schools and large corporate events.

Supplied as standard with front projection fabric, hinged folding frame and road case.

Additional options and accessories available include: Rear projection fabric, a full Drape kit (left, right and bottom), or a skirt only (bottom of screen).

### Features:

- Cost effective option for large sized portable screens.
- Supplied standard as a kit – front projection surface, folding frame and a heavy duty road case.
- Rear projection surfaces available as an optional extra.
- Main frame is a single piece of hinged aluminium that folds out.
- Legs are then attached, and are one metre wide along the base for stability.
- Projection Surface attaches with press studs.
- Drape Kits are available.
- Maximum size available 5000mm wide.
- 16:10 Aspect Ratio available by order.
