

Grandview Pull Up Screens

This unique, portable screen is easy to use and very stable with its sturdy casing on the bottom.

The Grandview Pull Up is an ideal screen for travelling, whether it's from room to room or around the country.

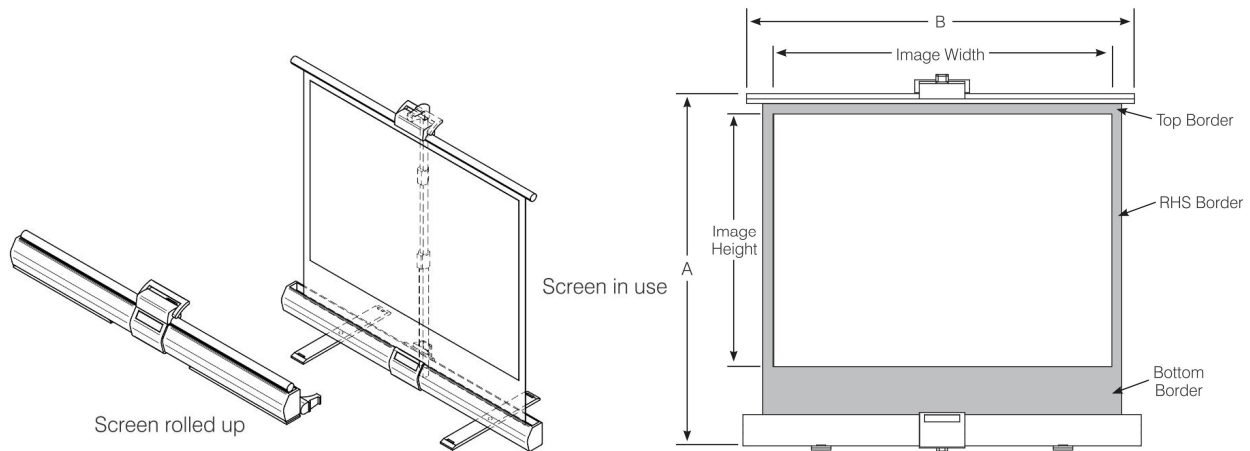

This screen is available in both business presentation and home theatre formats.

These screens are also great for rental properties when you are unable to mount a screen to the wall.

Features:

- A very clever and neat alternative to the traditional tripod screen.
- Screen occupies a smaller footprint on the floor which is ideal for smaller meeting rooms or where you want to put the screen up against a wall.
- Screen is pulled up from the casing and held in place with support rod at the back.
- The casing is stabilised by feet that swivel outwards from the casing.
- Quick and easy to raise and lower.
