

ElectriCinema XL Series Premium Motorised Screen

Screen Technics is proud to release this new extension product based on the world class ElectriCinema series of projection screens. Up till now if you required a screen larger than 200" diagonal, you had to deal with our Chancellor range of screens, which was a basic heavy duty staging product.

With the new XL series you can expect all the designer good looks and leading edge functionality that the ElectriCinema is justly famous for.

These features being the internally mounted Connect Motor Control Device and standard IR remote control.

BENEFITS

- Sizes up to 300" Diagonal.
- Connect Control System with IR Control and contact close.
- Designer Good Looks.

APPLICATIONS

- Home Theatre.
- Boardroom Presentations.
- Educational & Training Facilities.

PRODUCT FEATURES:

Description: Designer Style Motorised Projection Screen with Integrated IR Remote Control.

Head Box: Colour to be specified at time of order, standard powder Coat options are White Ripple, Silver or Black. Please seek advice from the sales office if a custom powder coat colour is required.

Surface: Welded MW PVC

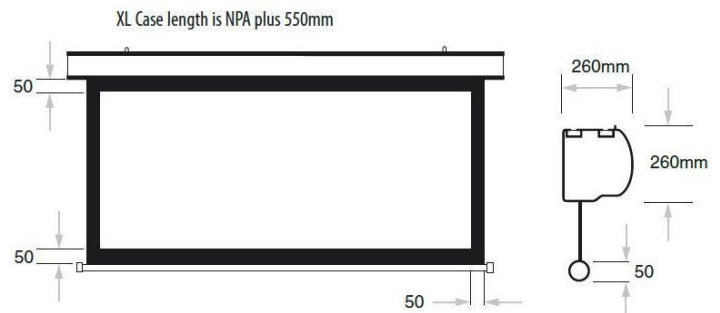

Borders: 50mm Sides & Bottom, with top leader to be nominated at time of order.

Optional Top Leader: Please seek guidance from the sales office on maximum available leader lengths on any ElectriCinema XL screen.

Brackets: M10 Load rated eye bolts, requires at least 6 fixing points.

Sizes: 200" Diagonal to 300" Diagonal.

Options: Extra Top Masking - RF RTS Remote or 4 Core Wall Switch.

Please Note: Due to the size and weight of this product freight costs can be significant, please allow for this in your tendering process.

The ElectriCinema XL utilise load rated M10 Eyebolts and requires at least 6 fixing points.

Please Note - This screen is not specified with a standard leader length, please seek guidance from the sales office on the leader lengths available.
