## A Brief Company Introduction

TEC is a well established company with many years experience within the contracting environment. Through our focus and attention to technical details and superior customer support, we have been established as one of the preferred audio visual installers in South Australia.

Founding TEC staff members have worked in the Audio Visual installation industry for the past 25 years and have had the pleasure of installing some of the most prestigious A/V projects in Adelaide, Australia and overseas.

The Company has a broad base of expertise, which is able to handle all technical facets of any electronic installation, such as:

- ◆ Public Address systems.
- ◆ Background music.
- ◆ Interactive whiteboards and displays.
- ◆ Home theatre.
- ◆ Conference rooms.
- ◆ Crestron control systems.
- ◆ DSP audio systems.
- ◆ MATV - Master antenna television.
- ◆ Custom electronic design.
- ◆ Theatrical and Architectural lighting.
- ◆ Video projection and screens.
- ◆ Digital signage LCD and LED displays.
- ◆ Hearing assistance.
- ◆ CCTV - Closed circuit television.
- ◆ Security and access control.
- ◆ EWIS and fire systems.
- ◆ Voice / Telephones.
- ◆ Intercoms.
- ◆ Electronic classrooms.
- ◆ System setup and hire.
